OPEN HOUSE MACAU 澳門遊屋記

FAQ VOLUNTEERS POST GUIDELINES

OPEN HOUSE MACAU 2026

1. Why volunteer at OHM?

Are you passionate about architecture and about your city? We're looking for wholehearted people to help us turn Macau into a big museum for a weekend, and to make it a memorable experience for everyone who visits. You'll be part of a team of Macau enthusiasts, working behind the scenes to open the doors of its buildings. Open House Macau is free for all, and without the support of volunteers like you, an event of this size simply wouldn't be possible.

2. Who can volunteer?

Anyone who loves Macau and enjoys sharing it with others. You don't need a background in architecture or any previous experience: there are roles for different interests and skills, from guiding visits to welcoming visitors or capturing the weekend in photos and video. Students, professionals, residents, we want to hear from you! Based in Hong Kong? You're welcome too, just sign up through the volunteer call.

3. What are the tasks available?

Our volunteers make sure every visitor has a memorable experience. Choose the role that suits you best:

- Guiding visits: study one or more buildings and introduce visitors to their history, function and architectural features, at a level for everyone. Ideal if you enjoy architecture or want to learn more about Macau's built environment.
- Neighbourhood support: be the link between sites in your neighbourhood, helping out where you're needed and handing out visitor guides.
- Visitors management: welcome visitors, keep queues moving, hand out maps and collect feedback from visitors.
- Welcome desk: answer questions about Open House Macau and its sites, and suggest itineraries based on visitors' interests.
- Multimedia: capture photos, video and visitor stories for our social media.

Whatever your role might be, you're expected to:

- Have excellent knowledge of the visitor experience at your assigned building/site and knowledge of other OHM buildings/sites within your vicinity, including their location, opening hours and waiting lines' status, as well as the ability to give more details about the Open House event in general.
- Keep your Area Coordinator informed of your assigned building waiting lines' status and other issues required.
- Liaise and work with building representative/ owner at your assigned building to ensure set up and operations are as planned, as well as set up promotional material and hand out information as required for your specific building.
- You're also welcome to:
- Be active on social media (Facebook, Instagram, wechat), sharing OHM posts and using #OHM2026, #OHMacau, #ArchitecturalDialogues, and tagging us on stories and posts;
- Helping us with promotional material distribution within your neighborhood or institute (let us know if you can do this at the volunteers application form).

4. How much time do I need to commit?

Open House Macau takes place on 5–6 December. Choose the shift (or shifts) that suit you:

- Saturday morning (10am–2pm)
- Saturday afternoon (2pm–6pm)
- Sunday morning (10am–2pm)
- Sunday afternoon (2pm–6pm)

You can volunteer on one day or both, just arrive 15–30 minutes before your shift. When you're not on shift, you're welcome to visit the other sites and meet your fellow volunteers.

Before the event, we'll also have a few preparation moments, starting with our volunteers meeting on 21 November, where you'll get a full briefing and meet the team. We'll confirm all dates and times once you apply.

5. Where would I be volunteering?

You'll be assigned to one of the buildings taking part in Open House Macau, all located in the Macau Peninsula. Assignments are based on availability, interest and accessibility, so we can't take site requests, but every site is a great way to experience the city from the inside.

6. Will I be remunerated?

Open House Macau is a volunteer-run programme, so this role is unpaid. It's a way to give your time to Macau and bring people closer to the city's buildings. Our core team of professionals is ultimately responsible for the event's outcomes, so you can simply enjoy the experience and make a real difference.

7. How do I apply to become a volunteer?

Read it all and want to get involved? Fill in the volunteer form through the link in our bio before 15 November, it's quick and easy!

We'll then get back to you to confirm your participation and the details of our meetings.
